

ANNEX A – Project Contributors

SSAC Report - Environmental Impacts of the Scottish Manufacturing Industry

The Scottish Science Advisory Council (SSAC) would like to thank all those who contributed towards the production and peer review of this report. Contributions came from a wide variety of manufacturing sector representatives from across academia, industry and the public sector. Particular thanks goes to the project Working Group for their expert knowledge and significant time spent on this project.

Working Group

- Dr Caroline Cantley SSAC Member / Project Lead
- Professor Maggie Gill SSAC Chair / Interim Project Lead
- Caroline Murray Scottish Government
- Dr Heather Owen Scottish Government
- Dr Rachel Jamieson Heriot-Watt University / Project Researcher
- Dr Dan Barlow ClimateXChange (CXC)
- Michael Lenaghan Zero Waste Scotland (ZWS)
- Professor Bill Ion National Manufacturing Institute Scotland (NMIS) / University of Strathclyde
- Professor Michael Ward University of Strathclyde
- Lin Buntin Scottish Environmental Protection Agency (SEPA)

Workshop and Post Workshop Contributions

- Professor Maggie Gill SSAC Chair / Interim Project Lead
- Caroline Murray Scottish Government
- Dr Heather Owen Scottish Government
- Dr Rachel Jamieson Heriot-Watt University / Project Researcher
- Professor Bill Ion National Manufacturing Institute Scotland (NMIS) / University of Strathclyde
- Michael Lenaghan Zero Waste Scotland (ZWS)
- Dr Dan Barlow ClimateXChange (CXC)
- Professor Michael Ward University of Strathclyde
- David Thomson Food and Drink Federation, Scotland
- Paul Sheerin Scottish Engineering
- Paul Cantwell Scottish Institute for Remanufacturing
- Morag Garden Scotch Whisky Association
- Dr Allan Colquhoun Leonardo / Technology Scotland / Photonics Scotland
- Jaki Love Textiles Scotland
- Dr Ian Houson Centre for Continuous Manufacturing and Advanced Crystallisation (CMAC)
- Caroline de Rouffignac Scotland Food and Drink
- Christopher Lowe Scottish Centre of Excellence in Satellite Applications (SoXSA)
- Ken Maxwell Scottish Enterprise / SG Steel Sector Roundtable
- Andrew Henderson Scottish Enterprise
- Dr Ally McInroy Technology Scotland / Photonics Scotland
- Tom Shields Chemical Sciences Scotland (former Acting Chair)
- Gareth Williams Scottish Council for Development and Industry (SCDI)
- Michael Fletcher Centre for Sensors and Imaging Systems (CENSIS)
- Ian Archer Industrial Biotechnology Innovation Centre (IbioIC)
